Destroyer Kuroshio
WE'VE GOT A PROBLEM!
HMM
NOW THAT YOU MENTION IT, IT DOES LOOK SIMILAR TO SOMEONE...
Wonder where it is
BUT WE COULDN'T FIND IT, SO WE ALSO SEARCHED AROUND THE SECOND AREA.
APPARENTLY FUSOU-SENPAI LOST SOMETHING DURING THE FIRST KON OPERATION.
I WONDER WHOSE GRUDGE IT WOULD BE...
OH, SO LIKE A GRUDGE.
ISE SENPAI DID SAY BEFORE THAT THE ENEMY COULD BE THE MALICE OF SHIPS SUNK IN THE PAST
どーん
AND WE SAW THE DESTROYER PRINCESS THAT WAS APPARENTLY DEFEATED!
...UH, EVERYONE? THE ENEMY IS...
That sounds
Really?
Whose? Scary!
Light Cruiser Abukuma
NOTHING BUT MALICE!
Why is everyone so happy?
The grudge is mad!
どぉん
THAT'S ... ENOUGH!
They still managed to defeat it.

Note Pins don't ask me

We're having mild sardines this morning, I see.
Landing Craft Akitsumaru
LOOKS LIKE BURNING OUT REVERTED ME TO HOW I WAS BEFORE.
THAT'S HOW IT WORKS!?
WHAT HAPPENED...?
ENEMY TASK FORCE INTERCEPTION BATTLE
AN ENEMY TASK FORCE IS APPROACHING IN RESPONSE TO OUR OPERATION!
The third Kon Operation ended successfully, but
Light Cruiser Ooyodo
ALRIGHT! FLEET, FOLLOW AFTER ME!
IN THAT CASE, WE'LL AMBUSH THEM IN THE PALAU ARCHIPELAGO SEAS!
Battleship Nagato
YEAH!
And their hard effort allowed for this operation to also be a success
We were also omitted?
But what happened to the burnt-out white Akitsumaru...?
